

Custom-Fit Molded Cases

MAXCases custom-fit cases are made with smooth, non-porous materials for easy cleaning.

Universal-Fit Cases and Backpacks

MAXCases universal-fit cases and backpacks are designed with woven ballistic nylon, neoprene, or clear vinyl, all of which can be handwashed with a mild soap and water solution and allowed to air dry.

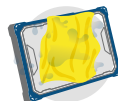

For best results, please follow these recommendations:

Use lint-free towels

Wipe with mild soap and warm water, or 1:1 vinegar and water solution for deeper cleaning

Rinse with a cloth dampened with warm water

Blot dry with a lint-free towel (hard cases), or allow to air dry (soft cases)

It is also recommended to periodically wipe cases with a damp towel between deeper cleanings.

To maintain the integrity of the protective surfaces and to avoid premature fading, please refrain from using:

Alcohol

Bleach

Harsh Chemicals

High temperatures
