

Featuring MAXCases' patented slide-on top design, the Extreme Shell-F Slide Case V2 protects Chromebooks with slide-on ease and enhanced screen protection in an updated, lightweight design. Featuring a refined top design, the Extreme Shell-F Slide Case V2 reduces carrying weight, without sacrificing durability or protection, while providing a sleek and easier-to-clean surface. The innovative slide design disperses pressure evenly around the entire perimeter, for a snug fit that eliminates pressure hotspots around the screen. Crafted with dual layers of tough TPU for outstanding impact and drop protection, the ESF2 case combines a cushioning inner layer of TPU with an oil- and dirt-resistant outer layer and is tested to meet MIL-STD 810H-516.6 for four-foot drops. The overhang corners add protection without added bulk, while the clear, rigid top and bottom panels prevent exterior damage and provide visibility for stickers and asset tags. The custom fit ensures easy access to all buttons and ports. For added convenience, the V2 design accommodates a handy carrying strap that fits snugly against the case (sold separately).

Extreme Shell®-F2 Slide Case

Refined design with added screen protection

Extreme Shell-F2 Slide Case

Refined design with added screen protection

KEY FEATURES

- Patented slide-on top panel adds screen protection by evenly dispersing pressure around the perimeter of the screen
- Custom-fit design for each device model provides easy access to all device functions
- V2 design reduces weight without sacrificing durability and protection
- Provides rugged drop protection tested to meet MIL-STD 810H-516.6
- Refined surfaces are smooth and easy to wipe down
- Dual layers of tough TPU deliver outstanding impact and drop protection with a cushioning inner layer and an oil- and dirt-resistant exterior
- Overhang top corners add protection when device is closed
- Clear top and bottom panels resist scratches and impact damage and provide visibility to asset tags
- Unique design accommodates a carrying strap that fits snugly against the device (sold separately)
- Slide design enables fast, easy installation
- Perfect-fit ballistic-glass screen protectors available for most devices, minimum quantities apply
- Custom colors, logos and MAXProtec antibacterial upgrade available with minimum quantity of 500 (additional fees apply)
