Custom-fit for the Asus CM30 Tablet 10.5"

# Shield Extreme-X2 for Asus CM30 Tablet

## Rugged protection, unlimited viewing angles

The Shield Extreme-X2 provides custom-fit protection for the Asus CM30 tablet, plus customizable viewing positions. The rugged design features dual layers of tough TPU for outstanding impact and drop protection, combining a cushioning inner layer with an oil- and dirt-resistant outer layer. The virtually break-proof and patented FlexStand kickstand provides unlimited, stable positioning options thanks to the easy-sliding friction hinge. The perfect-fit design delivers easy access to all ports, openings, and buttons. Durable corner anchors make it easy to add an (optional) hand strap, shoulder strap or any clip-on accessory. Available in two versions: one with keyboard compatibility and one for solo use.
