Shield Extreme-H for iPad 7 & 8

Rugged, waterproof and easy-to-sanitize, the Shield Extreme-H case protects iPads in healthcare, first responder and other dirt- and germ-prone environments. IP68 and MIL-STD-810G certified, it provides water- and dust-proof protection from drops up to 6-feet. Tough, full-surround coverage protects against damage, while smooth, non-porous surfaces enable thorough cleaning with standard disinfectant sprays and wipes, and the screen protector enables touchscreen compatibility with surgical gloves.
