

The Extreme KeyCase-X for iPad 10 transforms gen 10 iPads for laptop-like typing, while also protecting them against damage from drops, dings, bumps and spills. Providing all-in-one simplicity, the attached, rugged keyboard prevents loss and ensures durable protection. Laptop-like typing lets users learn, study, work or play comfortably for hours, while also maintaining the use of the iPad touchscreen. Ideal for busy classrooms, with tamper-proof keys and a water-resistant keyboard with integrated channels that drain liquid quickly in the event of spills.

Extreme KeyCase for iPad 10

Rugged iPad Protection with Integrated Keyboard
