

Ballistic Glass Screen Protectors

For Chromebooks, laptops, iPads and tablets

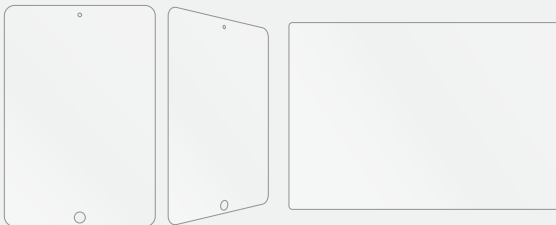

**Ballistic Glass Screen
Protectors available for
most devices with
minimum order quantity**

Repairing cracked screens is an expensive, time-consuming hassle. Protecting them is an inexpensive investment that can help prevent student/user downtime. These ballistic glass screen protectors install easily, for tough protection that never interferes with clarity or touchscreen response. Tough ballistic glass prevents damage from scratches, dings and dust. Made specifically for a perfect fit with each device model.

KEY FEATURES

- Premium tempered ballistic glass
- Ultra-clear, virtually undetectable
- Anti-fingerprint coated
- Fast, bubble-free installation
- Maintains touchscreen accuracy & screen clarity
- Compatible with all device cases
- Custom fit for each device model

**Reduce repair costs and keep kids
learning with crystal-clear ballistic
glass screen protectors**
