

# MAXCases FlexStand — Patently Tough Protection!

Built for busy classrooms, MAXCases iPad cases with our exclusive, patented FlexStand provide outstanding protection plus infinite viewing angles.

## Why do Educators Love FlexStand?

**1** **It's tough!** Virtually breakproof, in fact — even in the hands of the youngest students.

**It adds comfort and versatility.** Infinitely adjustable for students' ideal angle.

**2**

**3** **It's frustration free!** smoothly and easily adjusts to the desired position.

**It's stable and secure.** Find your perfect position and it stays put until you move it.

**4**

## Featured FlexStand Cases for iPad 11 and 10

### Shield Extreme-X2 w/3.5 mm Adapter and Tamper-Resistant Design for iPad 10/11 10.9"

- Tamper-resistant design prevents users from prying open the case
- Included adapter seamlessly integrates into the case, doubling connectivity
- Enables the use of audio devices with a 3.5mm jack along with one USB-C port w/charging

### Shield Extreme-X2-H w/ Hand Strap

- Soft, silicone hand strap rotates 360-degrees for easy one-handed use and is removable for easy cleaning and convenience

### Shield Extreme-X2 for iPad 10/11

- Friction-hinge FlexStand kickstand smoothly slides into unlimited viewing angles, holds securely in place, and is virtually break-proof
