Shieldy-K Foam Case for iPad/Tablets
Versatile and tough kid-friendly protection

Protect tablets and iPad devices with our versatile Shieldy-K case. The lightweight, impact-resistant EVA foam protects against damage from accidental drops and bumps while the raised bezel edges help safeguard the screen. Custom-designed for a perfect-fit, all openings are laser-cut and provide easy access to all controls and ports. The built-in handle rotates to become a stand for easy viewing in two different positions. The integrated holder keeps stylus close at hand. Passes MIL-STD-810G 4-foot drop test and is made from non-toxic, kid-friendly materials.
